

# DEAD DALE

#1: Pulling the Plug

*A Bardotoon by John Pavley*

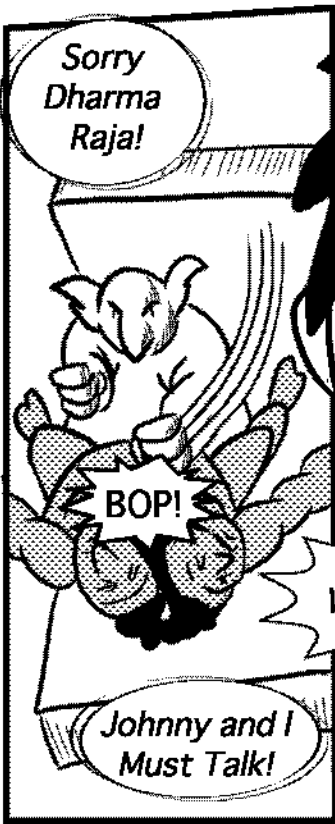

Rick, Please!  
I can't stand  
to see Dad  
suffer!

The doctor  
gave him less  
than 24 hours!  
We have to call  
Hospice...

The doctor  
isn't God  
Becky!

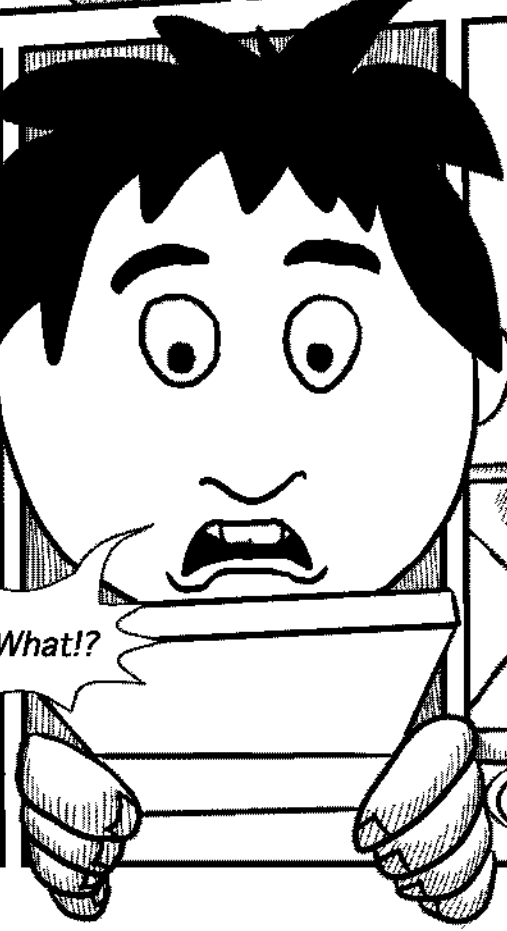

Think about  
me! How I'm  
suffering!

Sorry  
Dharma  
Raja!

BOP!

Johnny and I  
Must Talk!

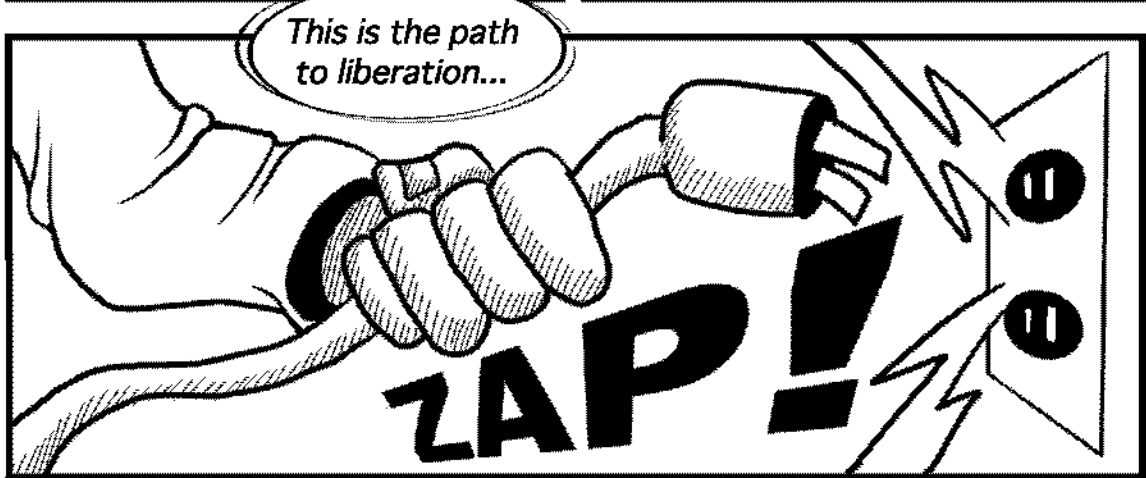

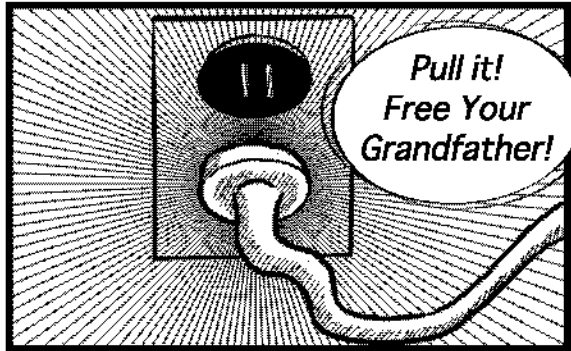

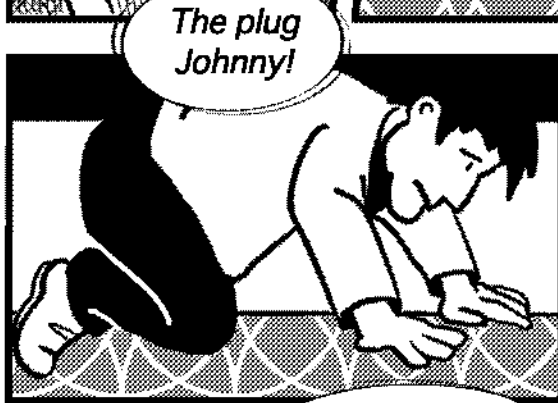

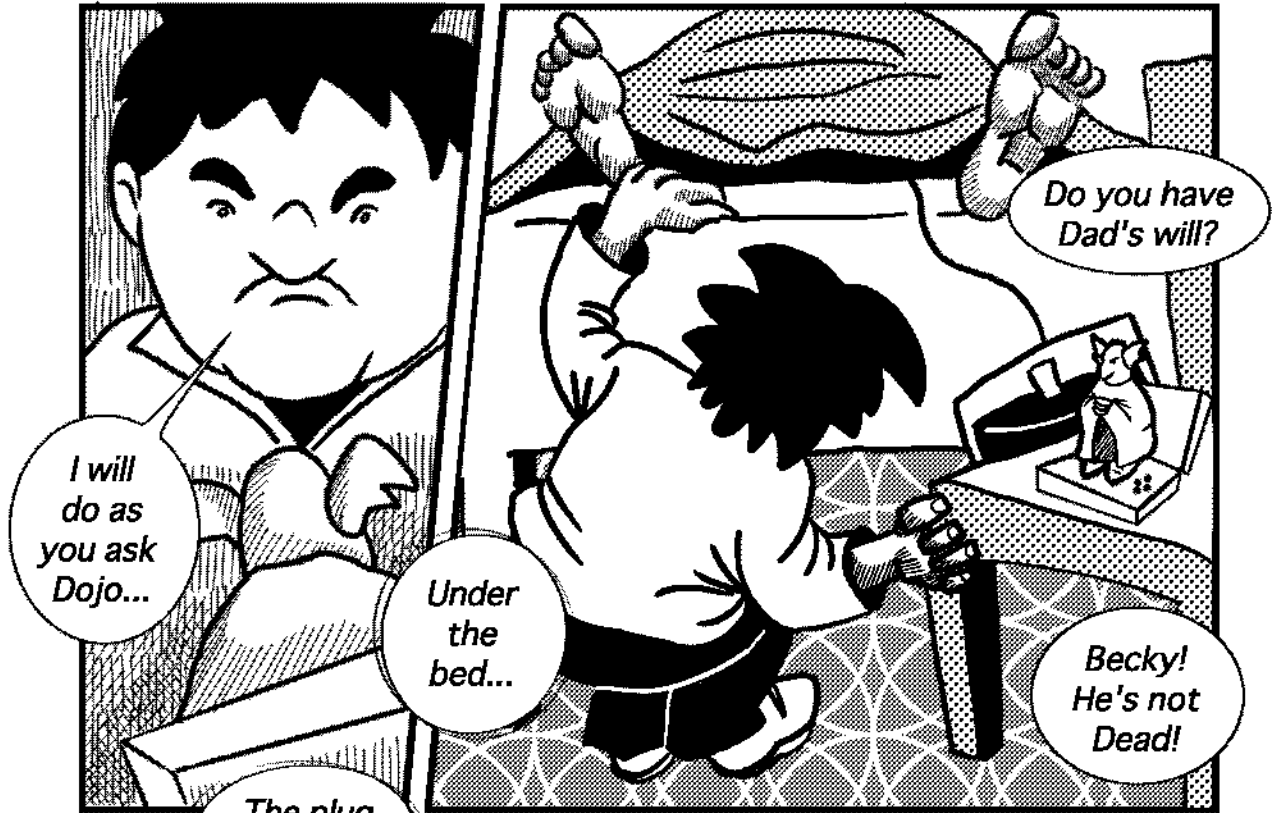

What!?

Johnny, your  
Grandfather  
is in danger!  
He needs  
your help!

He must be freed!

Becky! What happened?  
All the monitors are dead!

YOUR NURSE TODAY IS  
SALLY 😊

He's gone Rick!  
Oh God! Dad's  
gone! Sob!

Mommy! Daddy!  
Look! I did what  
Dojo said!

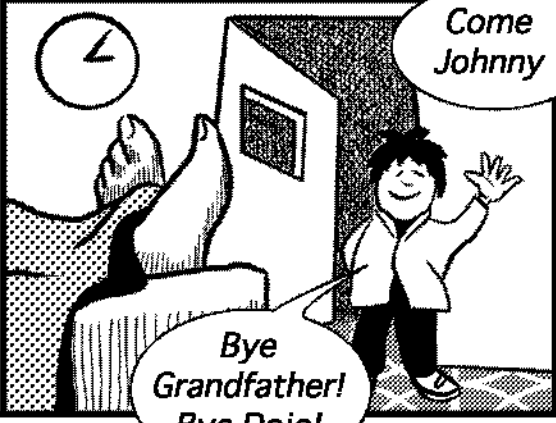

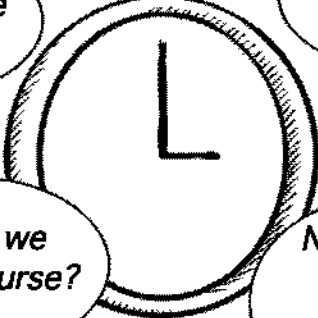

That's nice  
Johnny...

It's too  
late now...

I helped  
Grandfather!

Should we  
call the nurse?

No one can  
Help Dad  
where he  
is going...

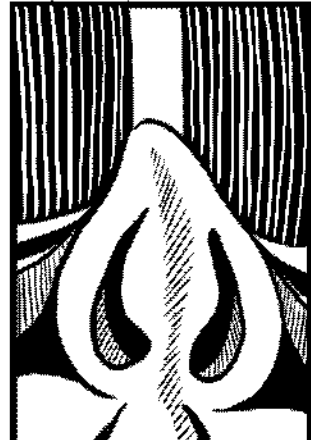

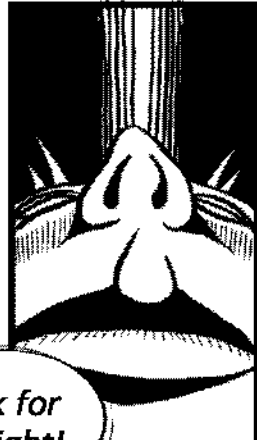

Come  
Johnny

Bye  
Grandfather!  
Bye Dojo!

Now that  
it's quiet,  
Dojo can  
help!

Dale! Listen carefully!

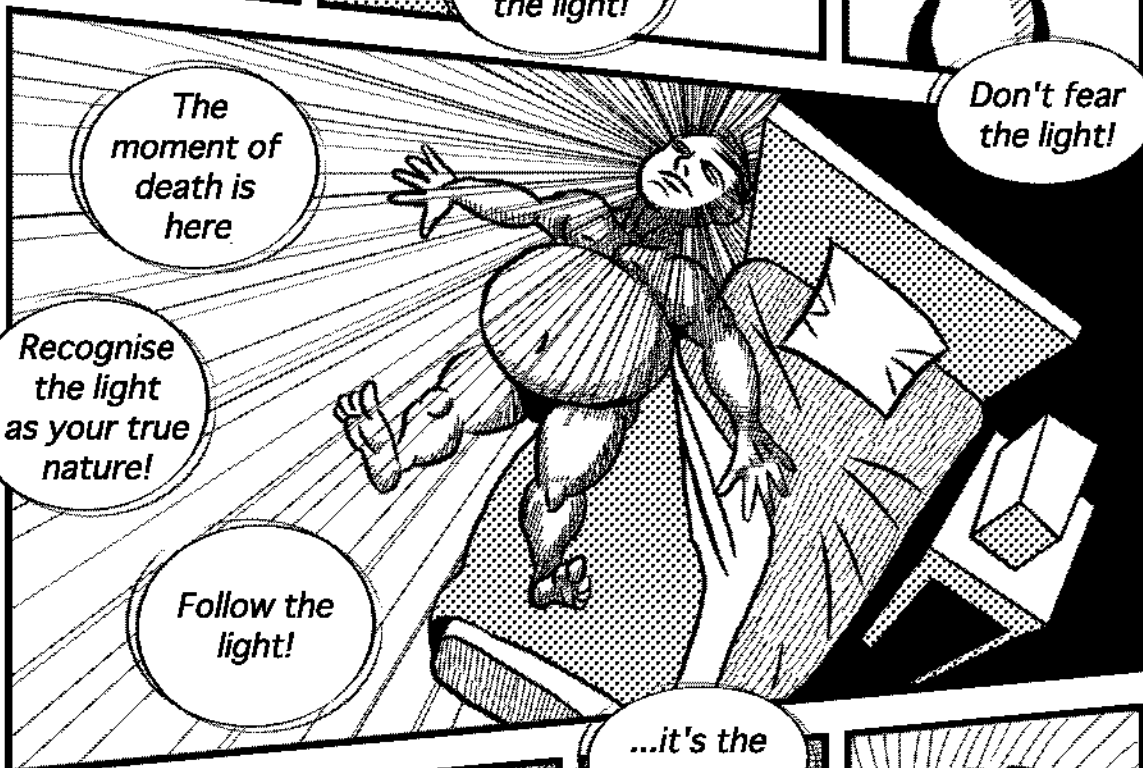

Look for the light!

Don't fear the light!

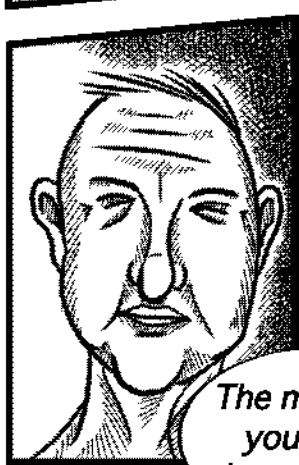

The moment of death is here

Recognise the light as your true nature!

Follow the light!

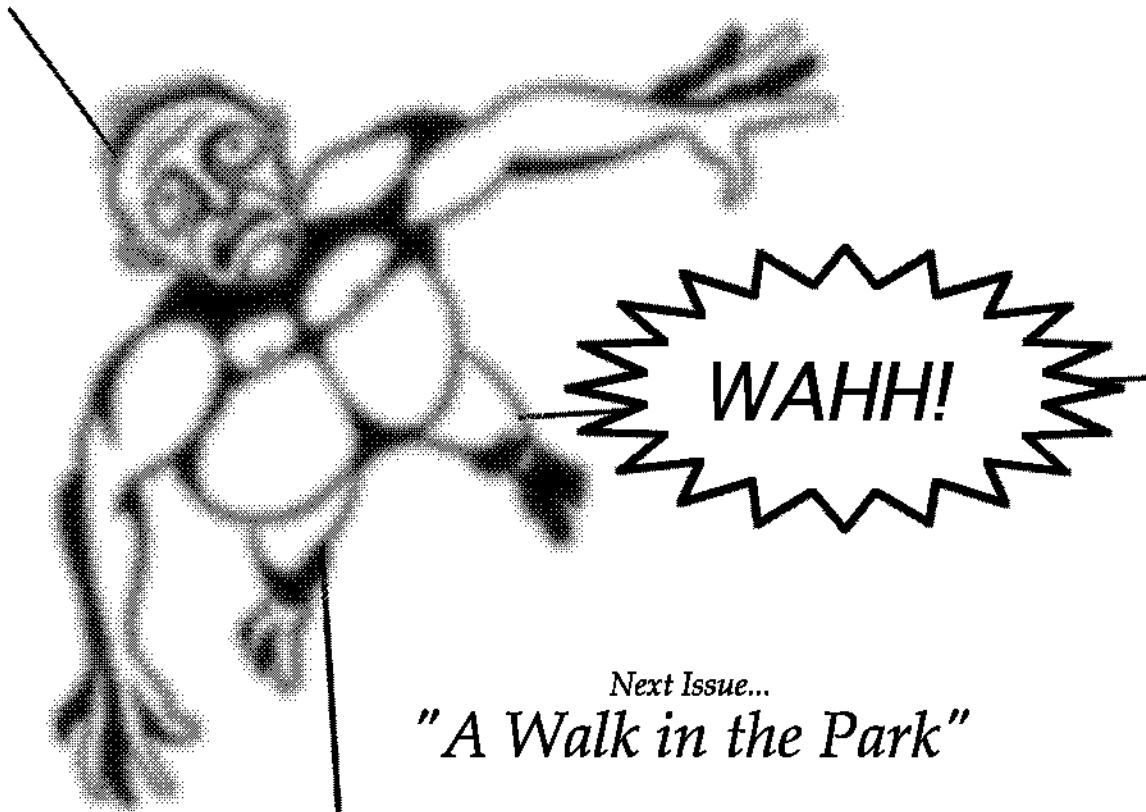

...it's the moment...

The moment you stop breathing...

...you awaken!
